Event Objectives

We hope you'll leave with an increased understanding of:

1. Strategies for achieving high-level **political support** for integration;
2. **How to integrate** climate change adaptation into planning across sectors and levels of government;
3. **Roles** that different actors can play and how they can coordinate their actions to support these processes.

Some secrets to success...

Active listening: Be present in both body and mind.

Embrace risk: Some of our greatest learning moments come when we take a risk.

Support one another: To contribute, to understand, to get the most out of this Forum.
